

Sterilisation

Objective:

To further the aim of the society in promoting TNRM (Trap-Neuter-Return-Management) by providing caregivers with subsidies for sterilisation of community cats.

To collate TNRM progress on various cat colonies around Singapore to help in building up successful case studies through the help of caregivers in providing data through the Sterilisation Progress Report (Appendix B).

Policy:

Caregivers who are members of CWS will be reimbursed \$20 per cat sterilised and \$30 for the 5th cat onwards for receipts dated in the same month.

Caregivers who are NOT members of CWS will be reimbursed \$10 per cat sterilised.

Reimbursements are capped at \$500 per person per month.

Conditions to qualify:

- Cats must be community cats, *not* home cats.
- Documents required to be submitted within one month from date of sterilisation:
 - (1) Original receipts issued by veterinary clinic
 - (2) Sterilisation Reimbursement Form (Appendix A), duly completed.
- All reimbursement documents for the month should reach us before the last day of the next month
E.g. July receipts should reach us by 31 August.

Procedure for sterilisation reimbursement:

All required documents are to be submitted via mail to:

Cat Welfare Society
Orchard Road PO Box 65
Singapore 912303

Claims are processed at the end of each month and cheques will be mailed out to you in the following month.
