Advisory on Cats

Your town council/management council has alerted us to an issue regarding cats in your neighbourhood. You are advised to

- **Keep your pet cat INDOORS.** Your roaming pet cat may be causing a nuisance to your neighbours and result in complaints to the authorities. The cats may end up being caught and killed.
- **DON'T feed stray cats upstairs.** Feed the cat downstairs at an appropriate location away from human traffic.
- **CLEAN UP after feeding** and keep the area clean.
- **STERILISE** the stray cats that you are feeding. Without sterilisation, the cats will multiply, leading to cats may being caught and killed.

Cat Welfare Society strives to create a harmonious living environment for all. If you have any questions about the above, please contact us at info@catwelfare.org.

If you would like a subsidised rate for sterilisation of the stray cats in your area, please email catsnip@catwelfare.org or call 7000-CATSNIIP (7000-2287647).

有关猫的投诉

您的市政理事会 / 管理委员会已经通知我们这一区有关猫的投诉。

- 若您家里有饲养宠物猫，请不要让它到外面溜达。这会干扰到您的邻居。如果被投诉-，您所饲养的宠物猫将会被有关当局捕杀。
- 若您有喂养邻社区里的流浪猫，请不要把它们引上楼上喂养。请在楼下较少人经过的地点和时间喂养它们。
- 请把剩余的猫饲料丢掉和清理干净，以确保环境清洁卫生。
- 请为您喂养的流浪猫进行绝育手术，防止它们大量繁殖。这样可以避免它们遭到投诉和被捕杀。

猫福利协会希望可以制造一个人与猫和睦共处的环境。

若您欲知有关绝育流浪猫的费用资助和祥情，请电邮至 catsnip@catwelfare.org 或拨电 7000-2287647 与我们联系。
