Pet cats must be

- sterilised
- kept indoors

Caterwauling, roaming on staircases and defecation at corridors are common complaints.

Feeding of community cats is not illegal but littering is.

- Clean up after feeding.
- Do not lure cats upstairs by feeding outside your home.
- Feed downstairs by choosing a quiet spot away from human and vehicle traffic.

Cat Welfare Society strives to create a harmonious living environment for all.

If you have any questions about the above, please contact us at info@catwelfare.org.

If you would like a subsidised rate for the sterilisation of stray cats in your area, please email catsnip@catwelfare.org or call 7000-CATSNIP (7000-2287647).

Kucing peliharaan mestilah

- Di kembirikan; dan
- Di simpan di dalam rumah.

Kucing yang membuat bising, merayau di tangga dan membuang air besar di koridor adalah aduan biasa.

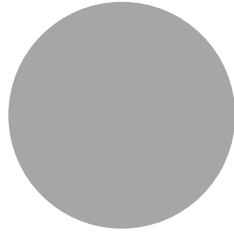

Tidak salah memberi makan pada kucing masyarakat tetapi membuang sampah adalah suatu kesalahan.

- Bersihkan setelah memberi makan.
- Jangan mengajak kucing ke tingkat atas dengan memberi makan di luar rumah anda.
- Beri makan di tingkat bawah dengan memilih tempat yang sunyi dan jauh dari laluan manusia dan kenderaan.

Persatuan Kebajikan Kucing berusaha untuk mewujudkan persekitaran hidup yang harmoni untuk semua.
